Over the past three years, we have:

- **Increased community employment and skill-building opportunities** through strong local business partnerships.
- **Strengthened recognition and training** for our Direct Support Professionals, the backbone of our mission.
- **Expanded Special Olympics, recreation, and life-skills programs** across our 11 residential homes and Community Day Services.
- **Enhanced family engagement and advocacy**, empowering voices and building connections that last.

As we move into the new year, Opportunity House stands ready for the next chapter. One that continues to honor our 60-year legacy while embracing new ways to empower those we serve. Change is on the horizon, and **with your support**, we will continue to ensure every individual has the opportunity to live, work, and thrive in the community they call home.

Together, we can continue building a future filled with opportunity.
